We, the Senior Class of 1968 would like to dedicate the 1968 Bulldog annual to Miss Hayden, and Mr. Standridge.

In the past four years Miss Hayden has been, not only an excellent teacher to all her Home Economics classes, but also a valuable friend to us all.

Students in and out of school are going to have problems. Coach has always been there when we needed him with answers to everything. We feel that his advice has helped us over many of those problems.

SUPERINTENDENTS MESSAGE

To the Senior Class of 1968:

It gives me great pleasure to write these few words. As I look back on the year and remember many fond acquaintances, I realize how good it has been for me.

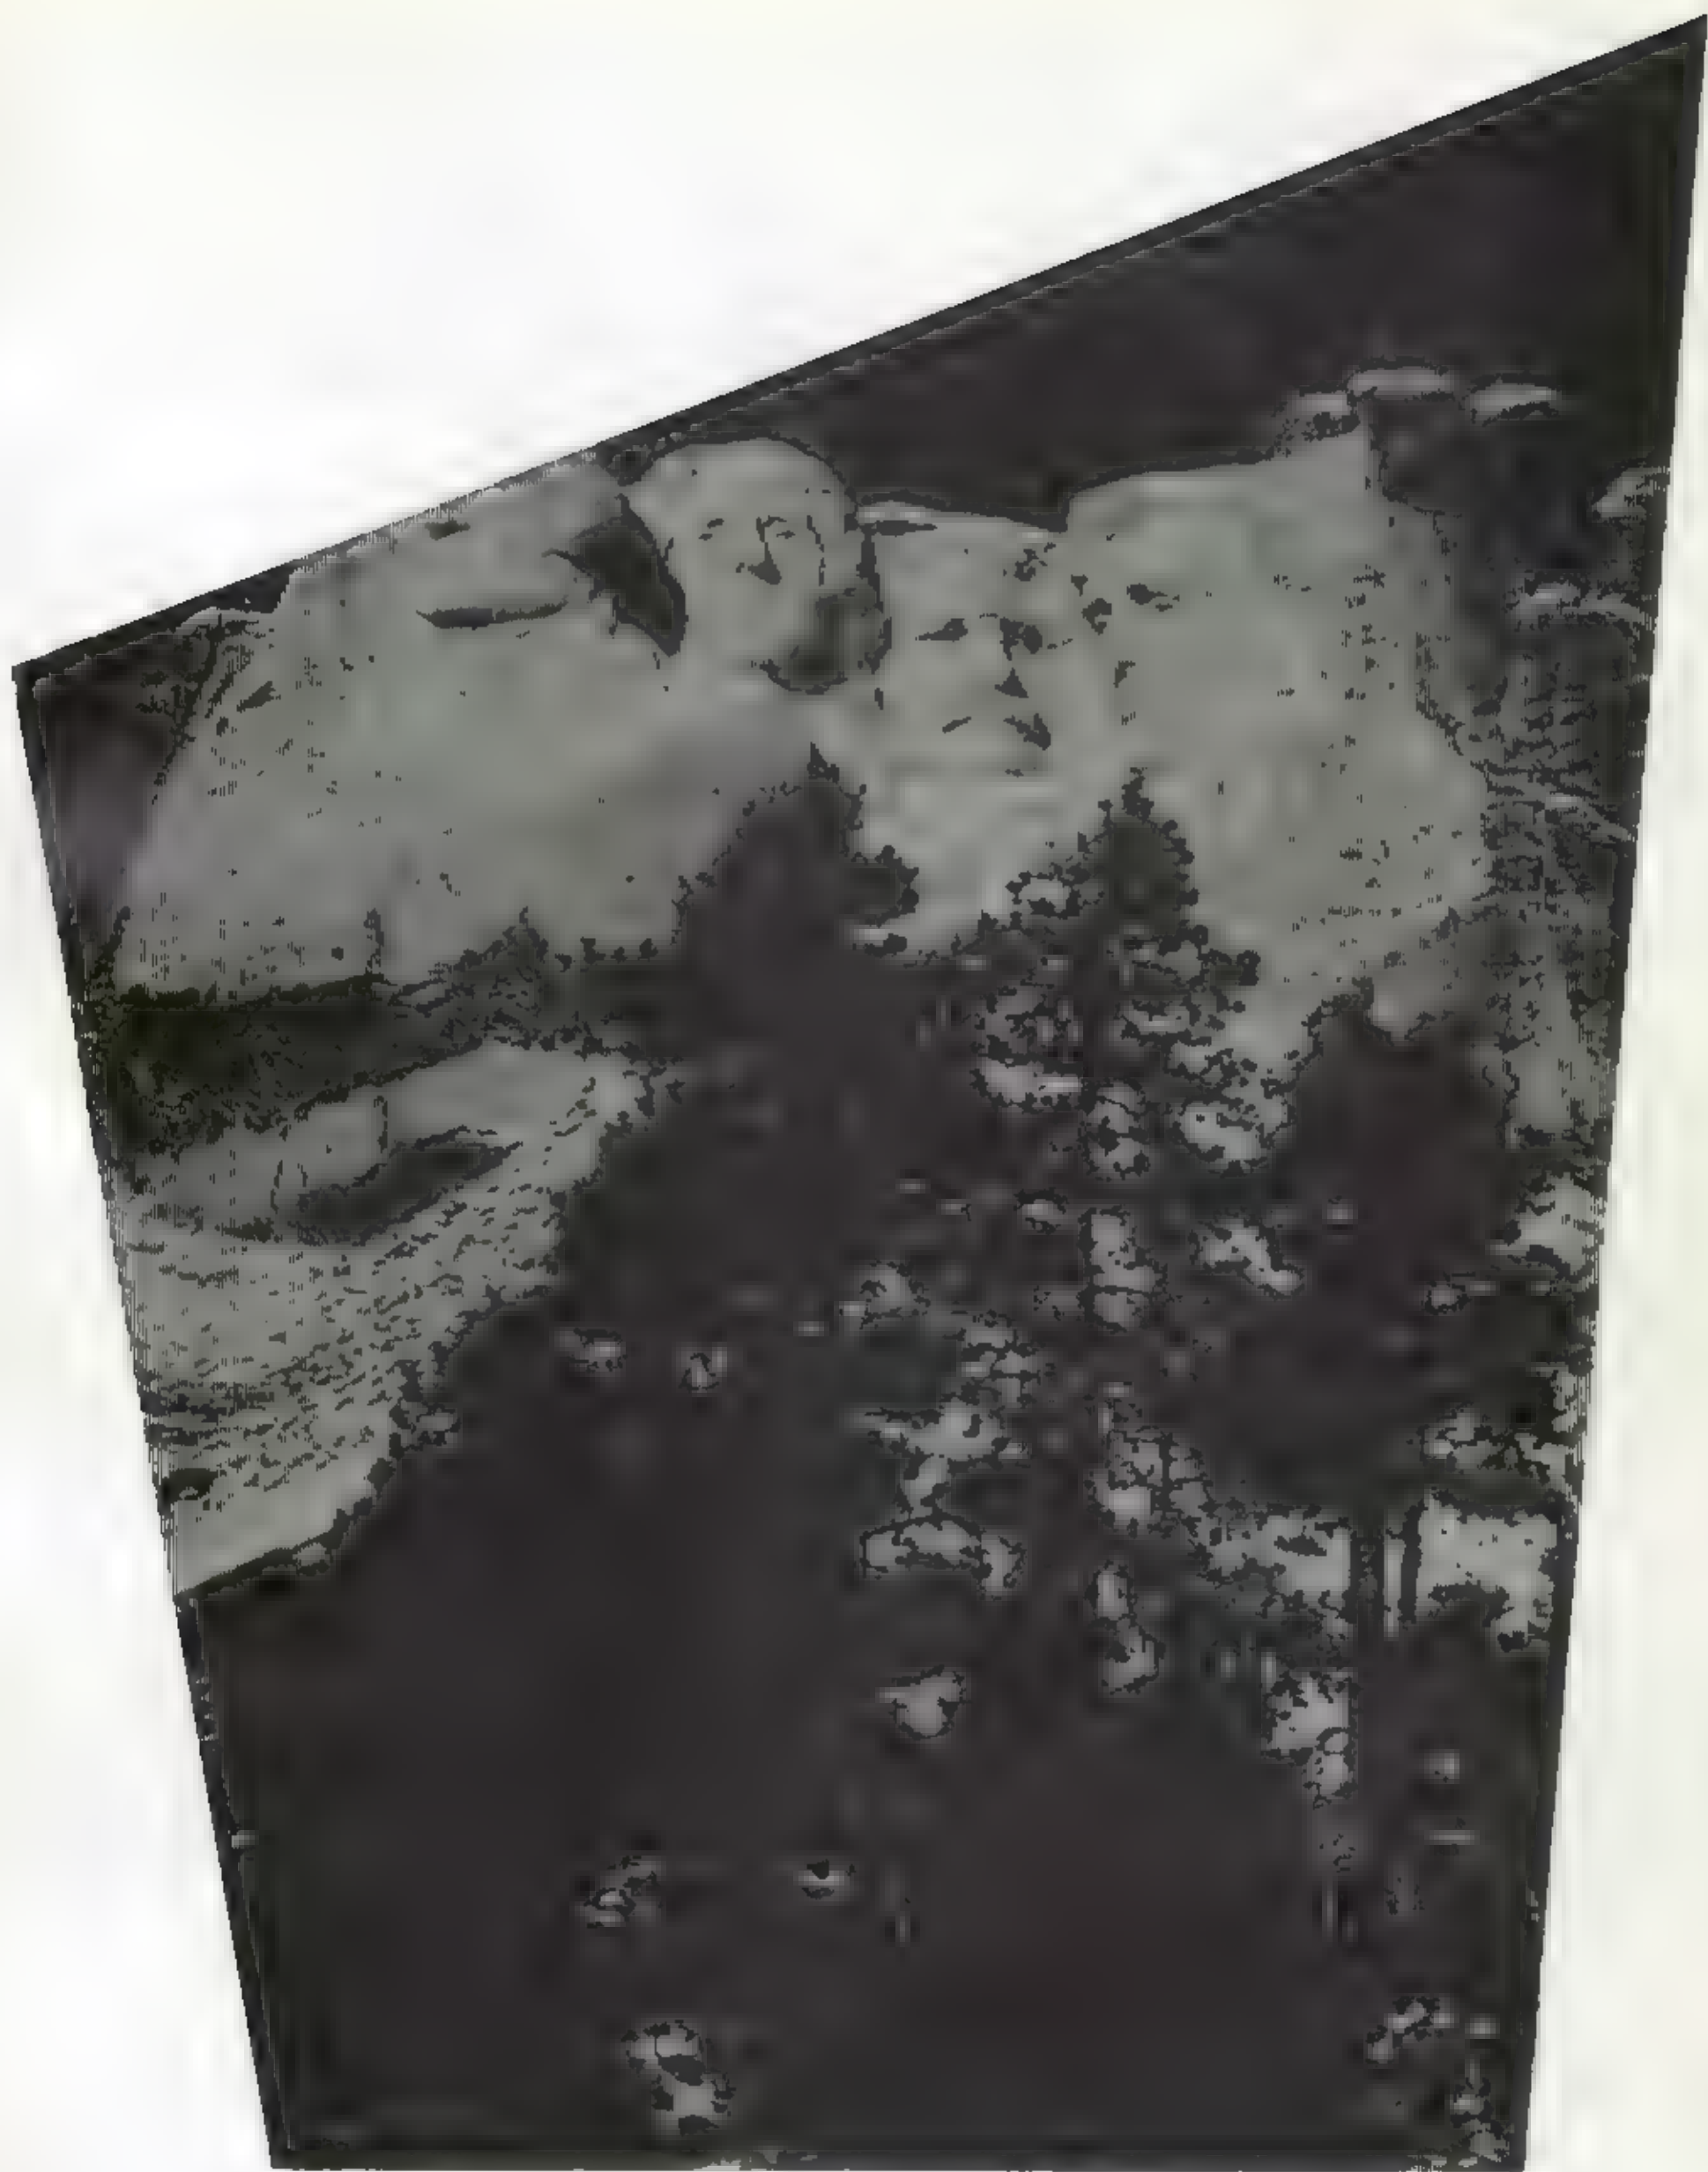

You have been most helpful when help was needed, most friendly when friends were wanted. I can only predict outstanding success for each of you.

You have proved yourselves with "get alongness" with others, but perhaps the greatest is your ability to learn to get along with yourself. By all means learn to love yourself properly, and you will be happy beyond all expectations.

Sincerely,

A handwritten signature in cursive script that reads "Marvin W. Porter". The signature is written in dark ink and is positioned below the word "Sincerely,".
